University of Oviedo, Spain

Venue and accommodation

Nestled along the Savinja River, **Laško** is a charming Slovenian town celebrated for its brewing heritage, scenic landscapes, and rejuvenating thermal springs. The 2027 edition of IOMAC will be at the **Thermalia** complex, placing all sessions and networking under one roof. Thermalia combines modern accommodation with direct access to the Laško Thermal Spa, offering delegates the perfect balance of comfort.

Social events and day trips

- Welcome reception
- Tour of Laško and brewery
- Conference dinner
- Afternoon trip to Celje and an unique underground experience
- Optional post-conference tours to Ljubljana and Bled
